

Checklist for Posting Degree Thesis Online (University Repository)

DD-MM-20YY :

Affiliation		Student ID	
Name		Degree No.	

In accordance with revisions to the rules for degrees, beginning April 1, 2013, students who are awarded a doctoral degree are required to post the full text of their thesis on the Ehime University Repository website within one year of obtaining their degree.

If, for some unavoidable reason, only the abstract of the thesis can be posted instead of the full text, an application to do so must be filed, and the full text must be posted as soon as that reason no longer applies.

Use the following checklist to confirm whether any such unavoidable reason applies to you, and complete the “Designation of Method and Time of Degree Thesis Posting” on the “Application for Approval of Degree Thesis Posting and Ehime University Repository Registration.”

* Please check the item that applies to you and provide the requested information.

Item	Reason for delay of full text posting	Form 2 submission time
Published as a book/in a journal, etc.	<input type="checkbox"/> <u>Already published</u> Due to the publisher’s policy relating to author rights, the thesis cannot be posted until (DD-MM-YYYY)	Submission not necessary/to be posted on or after specified date
	<input type="checkbox"/> <u>Expected to be published</u> (MM-YY) Due to the publisher’s policy relating to author rights, the thesis cannot be posted until ()	Date on which thesis can be posted (immediately after)
	<input type="checkbox"/> Thesis not yet or is expected to be published as a book/in a journal, etc. (*)	/
Application for a patent/utility model	<input type="checkbox"/> Patent application is planned or under examination before patent is disclosed Expected date of application: MM-YY	Date of patent disclosure (immediately after)
	<input type="checkbox"/> Utility model application is planned or under examination Expected date of application: MM-YY	Date of registration (immediately after)
	<input type="checkbox"/> No plans to apply for patent/utility model (*)	/
Other	<input type="checkbox"/> Other reason preventing posting of thesis Please explain, providing specific details.	Date when reason no longer applies

One or more of the above items (excluding*) applies → **Full text posting will be delayed; only the abstract will be posted**

For an unavoidable reason, it will not be possible to post the full text in the foreseeable future → **Only the abstract will be posted**

Reason that it is difficult to post the full text	Please explain, giving specific details.
---	--

If none of the above items (excluding*) applies → **Full text to be posted**

If your degree thesis has already been published as a book/in a journal, fill in the “Details of Publication” on the back of this page, and attach a document that clearly states the publisher’s policy on author rights. If your thesis has not been published but you expect it to be, you must check the publisher’s author rights and include documentation of the policy. If you are unable to check the author rights policy, please consult the library.

	<input checked="" type="checkbox"/> No plans to apply for patent/utility model (*)	/
Other	<input checked="" type="checkbox"/> Other reason preventing posting of thesis Please explain, providing specific details. Approval of co-authors cannot be obtained. Thesis cannot be posted until approval is obtained.	Date when reason no longer applies

One or more of the above items (excluding*) applies → **Full text posting will be delayed; only the abstract will be posted**

For an unavoidable reason, it will not be possible to post the full text in the foreseeable future → **Only the abstract will be posted**

Reason that it is difficult to post the full text	Please explain, giving specific details. Examples: <ul style="list-style-type: none"> <li style="color: red;">• Due to the publisher’s author rights policy, posting online is not permitted, except for personal websites. <li style="color: red;">• The thesis includes expressions based on three-dimensional shapes
---	---

If none of the above items (excluding*) applies → **Full text to be posted**

This includes the case of a thesis that has already been published as a book/in a journal, where the author rights policy allows it to be posted in the repository.

If your degree thesis has already been published as a book/in a journal, fill in the “Details of Publication” on the back of this page, and attach a document that clearly states the publisher’s policy on author rights. If your thesis has not been published but you expect it to be, you must check the publisher’s author rights and include documentation of the policy. If you are unable to check the author rights policy, please consult the library.
